

Introduction to Chinese Painting

A Chinese ink painting by legendary Chinese painter, Qi Bai Shi

This talk aims to equip participants with a brief understanding of Chinese painting as an art form. Participants will enjoy a concise overview of the various traditions and aesthetics relating to Chinese painting. The session will provide a glimpse into the following areas:

1. What are some of the major Chinese aesthetic philosophies?
2. What are some of the major schools/styles that have emerged as Chinese painting evolved as an art form?
3. How do we approach or appraise a Chinese painting?
